*“The work of Youth Ballet West, in nurturing and developing the dance skills of some of the West of Ireland’s most talented young dancers, has contributed greatly to the country’s cultural dimension. Not only are young people being enabled to pursue their dream of a career in dance, but many audiences have been introduced to the world of ballet through your beautifully staged and choreographed productions.”*

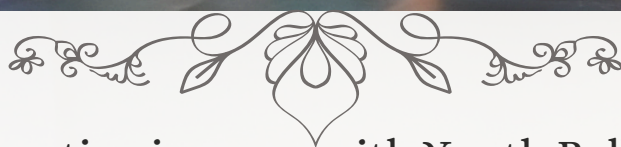

# WHO WE ARE

Youth Ballet West is a registered charity dedicated to empowering young dancers by nurturing their talent. Our organisation provides a safe and supportive environment where young dancers can take ownership of their artistic growth. Through performance opportunities and mentorship from industry professionals, we strive to help these young dancers fully realise their creative potential.

Youth Ballet West is committed to promoting ballet to a wide range of audiences and elevating the visibility of ballet in the western region of Ireland.

Embark on a transformative journey with Youth Ballet West as we pave the way for aspiring young dancers. Through our innovative programs, we aim to provide exceptional training, unparalleled performance opportunities, and increased accessibility to the art of ballet.

By partnering with Youth Ballet West as a Friend or Sponsor, you will directly contribute to the growth and development of talented individuals, nurturing their passion for dance and helping them reach their full potential.

Join us in fostering creativity, discipline, and artistic excellence among the next generation of dancers. By becoming a vital part of our community of supporters, you will not only uplift young performers but also have a lasting impact on the cultural landscape of the West of Ireland. Together, let's create a brighter future through the enchanting world of ballet.
